

Important 1:1 Instructional Initiative Information

Every SHS student will receive a school issued chromebook again during the school year 2021-2022. This benefit and opportunity is a direct result of the Skiatook community passing the bond issue in the Spring of 2017. Skiatook High School is grateful for the opportunity to provide technology integration to our Skiatook students and teachers. The partnership between student, home, and school is crucial to your child's success. You are powerful in the life of your child, and we look forward to a great school year!

Chromebook Insurance & Requirements:

The option to purchase insurance coverage for the 2021-2022 school year is now available. Insurance cost will be \$25 until June 30th. We will begin taking insurance payments **once the annual enrollment process begins online** (<https://payments.efundsforschools.com/v3/districts/56361/>) or in the High School front office. If insurance is purchased **by June 30th**, the student will receive a "FastPass" for Chromebook distribution. **After June 30th**, the insurance program will cost \$30. Additional information about the 1:1 Instructional Initiative can be found on the Skiatook Public Schools website.

- Parent/Guardian and student must sign the Responsible Use Agreement at schedule pickup / Chromebook distribution (or print an online version and bring it pre-signed at that time).
- Students may pick up the Chromebook at distribution without a parent/guardian **if insurance is purchased and Responsible Use Agreement is signed by a parent/guardian and student.**
- Parents/Guardians must be present at Chromebook distribution **only if choosing not to purchase insurance.**

High School Office Hours:

Summer Office Hours will be updated at a later date.

Schedule Pick-Up and Chromebook Distribution Dates and Times:

- This will be held during the first week of August. Once dates and times are set, this information will be updated.

It is a privilege to serve you and your children. Should you have questions or need our assistance, please do not hesitate to call or email.

Best Regards,

Jenny McElyea, Principal
BJ McBride, Assistant Principal
Kristi Vrska, Assistant Principal
